## ABOUT ME

I'm Khoi, a third-year student majoring in Information Technology. I am dedicated to my studies and research, striving to gain a clear understanding of the field. In addition to being diligent in my academic pursuits, I am a sociable and cheerful individual, always ready to collaborate and share knowledge with my fellow classmates. To me, learning is not just about achieving grades but also an opportunity to develop skills and foster creativity.

## EDUCATION

| Saigon University

📅 2021 - 2025

📍 Ho Chi Minh City, Viet Nam

- GPA: 2.65
